

Ward Boundary Options from Consultant Report (Summarized by Lorne Cutler, Impact on Carlington added by Robert Brinker, Development Committee) May 2020

Options	# of Wards (Urban*/ Suburban/ Rural)	Target Popula- tion/Ward	# of Wards varying more than 15% of average size (< or >) by 2026 or 2030	Comments	Impact on Carlington
Current	23 (12, 8, 3)	44,000	8 (1 urban, 4 suburban, 3 rural)	# of wards with variations more than 15% is by 2026.	Status Quo
Option1	25 (13, 9, 3)	46,000	6 (1 urban, 3 suburban, 2 rural)	Council expands. Combines Osgoode Ward and rural portion of Cumberland	Adding of the Carlington Business Park and Westgate Shopping Centre
Option 2	24 (12, 9 3)	47,900	2 (2 rural)	Council expands.	Same as #1
Option 3	23 (11, 9 3)	50,000	3 (1 urban, 2 rural)	Keeps Council same size. One urban ward is distributed to the suburbs. Urban ward boundaries change as no two wards are small enough to join together. Redesign of wards starts from west to east	Adding of the Carlington Business Park, losing Carling-Merivale-Kirkwood Triangle, major reconfiguration of the Ward to the Glebe, Old Ottawa South
Option 4	23 (11, 9, 3)	50,000	3 (1 urban, 2 rural)	Same as four but redesign of wards starts from east to west	Same as #4
Option 5	17 (9, 6 2)	67,600	4 (1 urban, 1 suburban, 2 rural)	Kanata and Stittsville go from 3 wards to 2. Orleans goes to 2 wards, including suburban portion of Cumberland. Rural wards split by Highway 416.	Adding of the Carlington Business Park, major reconfiguration of the Ward to the Glebe, Old Ottawa South, parts of Alta-Vista.

* "Urban" means within the Greenbelt.
