Present: Charity Bartlett, Tara Beechey, Kristen Bennett, Nelson Coyle, David Hoey, Dave Janveau, Ahmed Elchamaa, Tahani Adi.

The Carlington Community Association board held an emergency *in camera* meeting on December 6, 2020, about the development plans for 1110 Fisher Avenue.

Based on the discussion during the meeting, Nelson Coyle put forward a motion to the Board:

The CCA will continue to support the appeals concerning the development of 1110 Fisher Ave (by Turnbull School, J.D. Turnbull Ltd and Ruby Puni), which are currently before the Local Planning Appeal Tribunal (LPAT). However, the CCA declines to engage a planner or lawyer to support our appeal of this city decision, given the limited financial resources at our disposal.

The motion was seconded by Dave Janveau.

There were none opposed.

The motion was carried.
